

*Peace on earth  
goodwill to men*

DECEMBER 2015  
084

*Grace and peace from our  
household to yours!*

*Praise God! Heaven's message of "peace on earth" still rings out today! And it is needed more now than ever.*

*We rejoice that, in spite of global uncertainties, there are more people in more countries finding peace in Christ today than at any time in history!*

**NO CHRIST — NO PEACE**

**KNOW CHRIST — KNOW PEACE**

*Thank you for sharing the urgent proclamation of heaven's message of the "Prince of Peace" in this Christmas season and throughout the year.*

*In His service,*
